

A close-up photograph of a hand, likely belonging to Jesus, holding a small, dark, round object (possibly a seed or a stone) in the palm. The hand is wearing a simple, light-colored, textured garment. The background is a mottled, golden-brown color. The text "THE PROMISES OF JESUS" is overlaid in a white, serif font with a slight shadow effect.

At her last medical appointment they told her she has 2 months to live if she doesn't do anything...6 more months if she goes for chemo & years...if she gets a stem cell transplant & staying in the hospital for 3-4 months. She wants to go for the stem cell transplant but is asking for lots of prayers to make it work.
