

APPLICATION FOR MISSION WORK OR CAMBERSHIP

Interest from an endowed fund is used to award funds to assist applicants with payment for missions work/projects and/or fees for attending camp. This application will be reviewed by the Cornerstone Sponsorship Missions Team. Please complete this form and return it to the Cornerstone UMC office for consideration. If at all possible, please submit at least one month prior to the start of your project or camp, in order for it to be reviewed and, if approved, have funds disbursed to you in a timely manner. Later applications will be considered, but the timing of disbursement may be delayed, but would then be disbursed as a reimbursement to the applicant for monies already paid. Applicants may be asked to attend a meeting with the Sponsorship Missions Team during the review process. Based on the availability of funds, individuals may be limited to the number of times they may apply for funding within one year.
